

ORDINANCE NO. 3499

ORDINANCE AMENDING COUNTY FEE SCHEDULE

The Board of Supervisors of the County of San Luis Obispo, State of California, ordains as follows:

SECTION 1: The Board finds and determines:

a. That it has the authority to revise fee charges for providing any product, service, or enforcement of various regulations under the general laws of the State of California, including Government Code Sections 54985 et seq. and 66010 et seq.

b. The Board has adopted a policy (Resolution No. 75-396) requiring the County Administrator and the Auditor-Controller to annually review changes in fees and charges for specific County products, services and costs of enforcement with the departments making those charges, and make recommendations to this Board as to whether said charges should remain the same, be increased or be decreased.

c. On November 8, 2022, Ordinance No. 3480 was adopted establishing or reaffirming all county fees. Said ordinance, and any other ordinances subsequently adopted amending the fee schedule, shall continue in effect unless modified by this ordinance. All fees to be charged in calendar year 2024 as set out in Schedule "A" or in Fiscal Year 2024-25 as set forth in Schedule "B" of this ordinance have been subject to review by the County Administrator and the County Auditor-Controller. All fees presented on Schedule "A" and Schedule "B" are attached and incorporated by reference herein.

d. The Auditor-Controller has certified to this Board that the overhead rates are calculated in accordance with accounting standards set by the Federal Government's Office of Management and Budget, in accordance with Title 2 in the Code of Federal Regulations (2 CFR), Subtitle A, Chapter II, part 225.

e. The fees and charges shown on Schedule "A" and Schedule "B" hereto reflect the Board approved charges for providing any product or service, or the cost of enforcing any regulations, which are limited to those items included in the Federal Office of Management and Budget 2 CFR, Subtitle A, Chapter II, part 225; provided, however, that fees for zoning and planning matters, including municipal and district organizational and re-organizational matters, as specified in Government Code Section 66016, do not exceed estimated reasonable costs of those services for which the fees are charged.

f. Capital facilities fees do not exceed actual construction costs as defined in Government Code Section 54999.1.

g. By definition, these charges are not a "tax" and are exempt from voter approval pursuant to California Constitution Code Article XIII C, section 1, paragraph (e)(1)[charge for specific benefit conferred]/(2)[charge for specific service provided]/(3)[charge for issuing license or performing inspection]/(4)[charge for use of government property]/(5)[fine or penalty imposed for violation of law] (Prop.26).

h. Public Notice has been given in accordance with Government Code Sections 66016 and 66018.

SECTION 2: The fee schedules are amended as follows:

a. That the fee changes attached and incorporated by reference herein shown on Schedule "A" as "proposed fees" are hereby approved, and shall be effective January 1, 2024.

b. That the fee changes attached and incorporated by reference herein shown on Schedule "B" as "proposed fees" are hereby approved, and shall be effective July 1, 2024.

SECTION 3: All departmental managers and divisional managers whose services are listed in said Schedule "A" and Schedule "B" are hereby directed to amend their fees for services to the rate shown in Schedule "A" and Schedule "B" as "proposed fees", including all additions or deletions.

SECTION 4: This ordinance shall take effect and be in full force and effect as set forth in Section 2 above; and before the expiration of fifteen (15) days after passage of this ordinance, it shall be published once with the names of the members of the Board of Supervisors voting for and against the ordinance in a newspaper of general circulation published in the County of San Luis Obispo, State of California.

| 1 | Hourly fee for legal services is calculated using the most current Indirect Cost Rate Proposal (ICRP) prepared by the Auditor's Office. |
| 3 | Fees for conservatorship matters involving an estate comply with Probate Code section 2942(b) that says in part: "Compensation for services of the public guardian and the attorney of the public guardian, and for the filing and processing services of the county clerk or the clerk of the superior court, in the amount the court determines is just and reasonable." The initial case set-up, preparation of pleadings and appearances by counsel for an uncontested case is a minimum of five hours. For a contested case that requires a court trial, witness preparation, etc., but is fairly uncomplicated a minimum of nine hours is required. These hours are charged at the hourly rate to determine the cost to an estate for the initial case set up, preparation of pleading and court appearances. These rates are used as guidelines in petitioning the court for what counsel feels is just and reasonable, but the court retains authority at any and all times in awarding fees. If a case becomes more complicated such that discovery ensues, extended discussion with counsel, medical personnel, and family members occurs and the time exceeds that which is identified above. |

| 3 | <p>Film Permit fees consists of a \$250 non-refundable Application Fee for review of application, plus \$450 Permit Fee to issue the permit. Permit is valid for up to 7 consecutive days and 7 locations. On a case-by-case basis, requests to change a Film Application or Permit are subject to an additional \$75 fee per requested change. Additional fees may apply for impacts to Parks or other County facilities, encroachment permits, fire review, extended term of permit, or excess County staff hours (defined as staff time exceeding 10 hours per permit). Permits requiring more than 10 hours of staff time will be charged the full cost recovery hourly rate for time that exceeds 10 hours. Although staff costs are not fully recovered at a fee of \$700, a higher fee is not recommended because it is already near the top of the range of nearby counties. The California Film Commission endorses lower fees since their industry brings in a great deal of revenue to local businesses for any filming event.</p> |

| 1 | The department reviewed the time studies, pertinent code sections, and reasonableness of the current fees. Direct costs have been added where applicable. |
| 9 | The timeshare separate bill fee is a composite fee between the Tax Collector and Assessor's offices. The fee reflects the additional cost required to split a single property into as many as a hundred separate timeshare segments. Due to many variable factors the Assessor's actual cost cannot be calculated until the work is completed, but is typically \$.30 to \$.40. This amount once calculated will be added to the Tax Collector's fee and the total applied to the timeshare property tax bills by the Auditor. The revenue from this fee is Non-Departmental General Fund revenue. |

|------------|--|
| 1 | Surcharge based on a multiple of the initial fee. Set as a deterrent to discourage multiple violations and a means of achieving compliance of code. |
| 2 | Fee based on comparable rates with other entities. The division is sensitive to fee increases that would discourage pet redemptions/adoptions and result in overcrowding at the shelter. |
| 3 | Fee is set using a comparable fee survey using surrounding shelters. |
| 9 | Investigation costs and charges vary accordingly-and include payroll costs of staff involved (both ASD and other agencies), supplies associated with the investigation, any animal care associated (boarding, vet exams, medical, food), and any other administrative costs (copies, postage, etc.). |
| 10 | The standard commercial value of the animals for which this fee applies substantially exceeds the cost to perform the adoption service. Fee is set above full cost recovery to be consistent with market value and promote placement of these animals into homes willing and able to meet their special and extensive care requirements. |
| 11 | Provides for recovery of costs associated with impound of livestock, exotic, and non-traditional animals. |
| 12 | Establishes full cost recovery for intake processing and care of custodial impound animals. (waived for impounds associated with crisis care of owner or animal). |
