Rachel Naccarati, Project Manager (805) 781-5269

ROADWAY SLOPE REPAIR AT PREFUMO CANYON ROAD MILEPOST 3.5, SAN LUIS OBISPO –

The County of San Luis Obispo Department of Public Works will be performing roadway slope repair on Prefumo Canyon Road near mile post 3.5 in San Luis Obispo. Work will begin Thursday, November 12, 2020. Work will continue through mid-December between the hours of 7:00 a.m. and 4:00 p.m. Please refer to the attached map for specific location.

Road damage was due to a series of storms which occurred January through March 2017. The work will include reconstructing and revegetating of the failed slope embankment and repaving a section of the road.

Construction signs will be placed in advance of the work to notify the traveling public. For the safety of the public and the workers, traffic on Prefumo Canyon Road will be subject to one-way controls with flaggers as required for each phase of the work. Motorists are advised to adjust their travel plans due to potential delays.

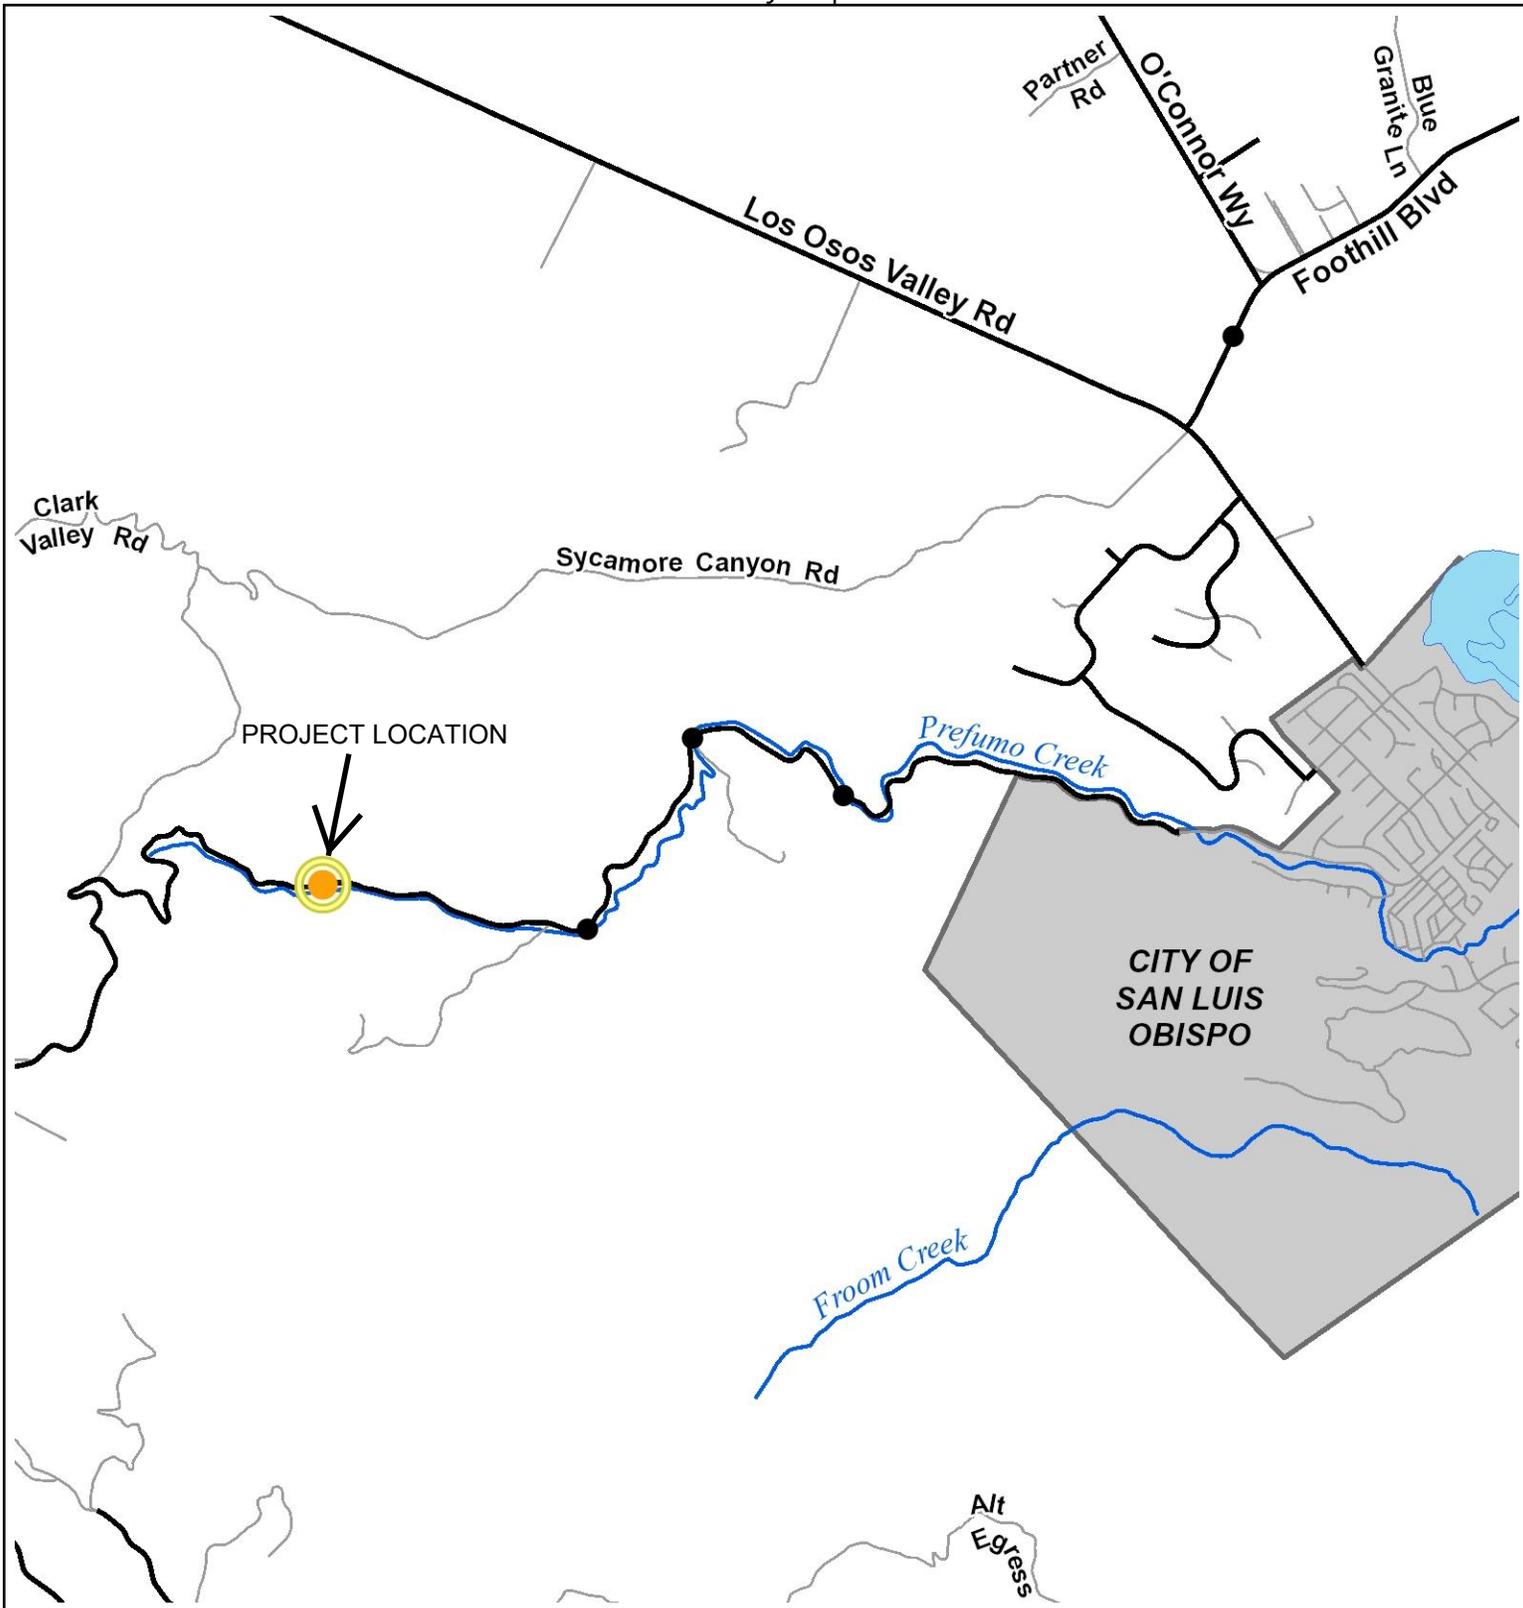

David Crye General Engineering Contractor, Inc., of Morro Bay, has been awarded the contract in the amount of \$206,127.00 to perform the work. The project is funded by San Luis Obispo County Road Maintenance funds and is partially reimbursed by the Federal Emergency Management Agency.

For more information, please contact Jimmy Tomac at (805) 781-4476.
